 QUESTION 6:  
 And now that you've had a chance to think about some issues in the news, how closely do you really follow national politics and government policies - very closely, somewhat closely, or not much at all?

Table 25-4  
 QUESTION 20:  
 Some people advocate changing the current tax system so that less money is invested by individuals in the homes they own and more is invested in stocks and bonds. Do you think it's a good idea or a bad idea to replace the current tax incentives encouraging home ownership with incentives encouraging investment in the stock market?
